

Women,  
5 ways to  
kill the  
‘Terminator’  
in you!

A one-minute read by **Tiny Mathew**

## Introduction

Being a woman is a privilege because God entrusts us with so many unique responsibilities, the biggest being the joy of carrying a life in our wombs.

*Proverbs 14:1 says, The wise woman builds her house, but with her own hands the foolish one tears hers down.*

In other words, a foolish woman is like a terminator who can destroy marriages, homes and callings. You got to kill the terminator in you, and here are **5 ways**:

## Never neglect prayer

Cook the best, serve the best – all this is important, but not as a replacement to your connection with Jesus through prayer. There is nothing more powerful than a praying woman.

Your prayer works as a protection for you and your family and God will always use a praying woman's hands to build.

## Walk in the Spirit

To walk in the Spirit is to seek God continually. When you walk in the spirit, the desires of flesh like jealousy, strife, bitterness, rage etc cannot overpower you (*Gal 5:16*).

Walking in the Spirit is also about guarding your heart on a daily basis. Don't allow pride to enter your hear. Terminators are led by fleshly motives, whereas builders are driven by the Spirit.

## Think Right

When you think right,  
your heart becomes right,  
and you can love right,  
when you love right,  
you walk in light  
and you walk with Jesus.

Renew your mind and keep your thoughts clean. I like what Kathryn Kuhlman once said, "The greatest gift I have after my salvation is a healthy mind."

## Guard your lips

*...Speak evil of no one, to avoid quarreling, to be gentle, and to show perfect courtesy toward all people (Titus 3:2)*

We seem to have an opinion about everyone and everything, but a woman who builds guards her mouth.

Terminators love to be a part of gossip-conversations. You may not be talking, but if you are listening, you still are held liable. Use wisdom to cut off.

## Let love be louder

Even when your spouse annoys you, or your parents don't understand, or your children upset you, you can still choose to be the light. Let love speak louder.

Show perfect courtesy to all people. It is easy to love those who love you. But what about the person who is not very lovable. That is when you become intentional about standing in the light. *The Bible says, whoever loves his brother remains in the light 1 John 2:10.* That's the sign of a builder!
